

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Look at the two numbers next to each other.  
Add the numbers together and write the answer in the box above them.

A pyramid of blocks with four levels. The base level has four blocks with numbers 2, 3, 5, and 4. The second level has two blocks, with the number 8 in the middle block. The top level has one empty block. An owl is on the right. There are several leaves scattered around the pyramid.

A pyramid of blocks with four levels. The base level has four blocks with numbers 4, 2, 7, and 6. The second level has three empty blocks. The top level has one empty block. A deer is on the left. There are several leaves scattered around the pyramid.
